OFFICIAL URGES DISTRICT TO ACT ON UNION PLANT

State Board Demands Santa Ana Location;
Will Not Approve College Near Coast

Orange county high school representatives today were faced with the final decision as to whether or not a Union Junior college will be established in Southern Orange county following a Wednesday evening meeting of district delegates in Laguna Beach for discussion of the proposal.

Asserting that "high school districts have 'dallied' long enough over the proposed union," Chief Speaker Dr. Walter Morgan, assistant state superintendent of public instruction from Sacramento, advised county representatives that the plan was primarily "to safeguard future education in this region," and that the responsibility for further action on the proposal was not that of Santa Ana's board until the county cities definitely express their opinion and willingness to cooperate in the project.

Location of the Union college must necessarily be "in or near" Santa Ana, Dr. Morgan told the assembly. The state board of education would not approve of any site closer to coast cities, he claimed.

Huntington Beach, Newport Beach, Laguna Beach, San Juan Capistrano, Tustin, and Orange each have appointed one delegate to the committee. Garden Grove is scheduled to choose a representative tonight, while Santa Ana, allotted two delegates, has appointed Marion B. Youel and George R. Wells.

Honor Group Makes Convention Plans

Selection of a delegate to accompany Victor Alleman to the national convention of Phi Theta Kappa, national junior college scholarship honor society, will be made within the next two weeks, Ed Budd, president of the local chapter, stated today.

Presumably the delegate to be selected will be a freshman. The national convention will be held, March 21-22-23, at Cameron State Agricultural college, Lawton, Okla.

Alleman was elected to represent the local chapter at the convention by Adviser Lella Watson and members of the organization. His colleague will be selected at the honor society's next meeting.

Magazine Editor Talks Here at 12:30 Today

Students To Name Preferences For Presidential Election

Launching of a campus poll to determine local choices for the 1940 presidential election next November was made today by Editor Myron Smith of El Don. A ballot for student selections appears on page four of this issue of the paper and a ballot box has been located in the College hall office to receive the choices.

First returns from the balloting will be announced in next Friday's El Don, Smith said. It is planned to continue the poll for three weeks with the final tally to be published on March 1.

College students are requested to state their party preference

Petition Deadline Set For Feb. 17

Petitions for second semester sophomore and freshmen class officers will be taken out on Monday, Sophomore President Bill Kamrath stated today.

They must be returned by Feb. 17, as the primary balloting is scheduled for Feb. 26, he said.

"The functions of the class officers for the second semester are more important than those of the first semester officers," Kamrath pointed out. "I expect to see a record vote when the class members are called upon to elect their new leaders."

Students who served as sophomore officers for the first semester are Kamrath, president; Tom Sullivan, vice-president; Norma Craft, secretary; and Ralph Metcalf, treasurer.

Freshman officers who will be replaced in the coming election are Gene Hamaker, president; Wayne Piper, vice-president; Anne Bell, secretary; and Anita Potter, treasurer.

Speakers Convene Here For Panel

Jaysee will be host to other colleges of the Eastern Forensic league at a panel discussion to be held here Feb. 15, Ernest Crozier Phillips, public speaking instructor, disclosed today.

The topic to be discussed by the group is "Shall the initiative in California be amended to suit the present conditions, or should it be abolished altogether?"

Bill Reid, who will represent Santa Ana, will also act as chairman for the discussion, after which the day's activities will be closed by a banquet to be held at Daniger's cafe.

Local Registration Shows Decrease

Latest enrollment figures today indicate that college registration here this semester will probably not exceed the total set by the same period last year. Reports from the registrar's office this morning show an enrollment of 831 students as compared to 851 up to Feb. 6 last year.

Although a few more students are expected to register, the number will not in the opinion of Registrar Mabel G. Whiting, reach the 889 high of last year.

REVOLUTIONARY

PROVING that a co-ed journalist's place is not restricted by the boundaries of the society page is the precedent-breaking appointment today of MARGARET SCHMITZ (upper) to edit El Don sports this semester. AUDREE WILLSEY (lower) will continue as editor of campus society news. (Gibson-Naill Photos)

BULLETIN
SACRAMENTO, Feb. 9—Co-ed Juanita Grimshaw today assumed her duties as commissioner of men's athletics at Placer Junior college. She defeated two football players for the post in a recent student election.

Jaysee women athletes today can look forward to more adequate coverage of their activities with the announcement that Margaret Schmitz will serve as sports editor of El Don this semester.

Miss Schmitz, a graduate of Santa Ana high school, will be the first woman ever to hold the post on the local staff. She is an honor student and a member of numerous campus clubs and organizations. She has conducted college broadcasts over KVOE and served on the editorial staffs of both the Santa Ana Journal and The Register.

DECLARED CAPABLE

"The selection of Miss Schmitz to edit sports may surprise some people, but we feel that she is capable of doing a good job," said Journalism Director John H. McCoy in announcing the appointment.

"El Don has always been willing to experiment and this may prove to be one of the most satisfactory experiments of them all. (Continued on page 4)

Relate Historical Trends of Valentine Day Celebration

By BILL KAMRATH

"One hundred thousand additional letters were today carried by the postmen of London."

Of little more note than this is the annual occurrence of St. Valentine's day next Wednesday. Many sections have carefully observed the romantic day throughout the years, but the majority of them have almost completely neglected it, with the possible exception of the mailing of a comic valentine to either one's best friend or worst enemy.

While the giving of valentines, ranging from the beautiful lacy messages adorned with hearts, cupids, and arrows to single sheets of coarse paper containing the most uncomplimentary of verses is still continued, the sentiment originally behind the day has al-

Action on the proposed seaplane base to be established in Newport harbor for college flight training rests solely in the hands of Orange county supervisors, Aviation Instructor H.O. Russell indicated today.

Recommendations for suitable base locations have been submitted by the college to supervisors together with instructions from the Civil Aeronautics Authority stating that plans for the erection and general lay-out of the proposed base should be drawn up by County Engineer Arthur Beard, Instructor Russell stated.

Two sites chosen earlier this year have been approved by CAA officials: the vicinity known as "Coney Island," and a strongly recommended position in the upper bay region. Supervisors will select one of these two placements, it was stated.

Following completion of plans for the port, CAA pilots intend to conduct actual airplane landing tests at the site chosen by the Orange county group.

Under procedure previously outlined by the CAA, county supervisors would finance the project which is expected to be self-supporting from income of private aviation attracted to the Newport area.

Appoint N. W. Helm To Local Staff

N. W. Helm, substitute commerce instructor for George B. Holmes, will remain at jaysee for the remainder of this semester, it was revealed today. Mr. Holmes will not return to his duties here until next fall.

He stated that he has found the Don faculty and student body to be very cordial and cooperative.

Snow Collisions Injure Two Local Students

Trying to avoid colliding with three fallen friends, Lyle Finley, sophomore, is today recovering from a cracked left ankle sustained when he fell last week at Big Pines.

Getting Around

With GLENN TOWNER

ODDS AND ENDS
If the Don relay team, composed of Wayne Piper, Howard Elliot, Jerome Duffy, and Claude Bassham, live up to expectations, it would not be a bit surprising to see them attending a prominent relay meet in the East this spring. The question of spring football practice is to be brought up once again at the next meeting of conference officials, but Coach Bill Cook expects a thumbs down decision . . . as usual . . .

HEINISCH TO DUCKS
Just when he seemed set for Oregon, Art Heinisch surprised the boys and pulled stakes for New Mexico university following "Sky Hi" Cy Leivermann who left Santa Ana a week ahead of him.

Wes Mulkins, erstwhile Don tackle, has enrolled at Washington State, turning the tables on reports which had him all wrapped up and delivered at Oregon. Tex Oliver and his Oregonians managed to emerge with the promises of Larry Monroy and Bill Ross to pay them a two-year visit. Ross leaves Feb. 19; Monroy will follow him after the close of the basketball season.

EX-TROBABA ENROLLS
Bill Cook is happy over the prospects for next fall's football squad, what with the mid-year enrollment including Jimmie "Red" Crowther, former Santa Ana high school tackle, who was bowling them over on the Southern California frosh team last year, and Jack Pitts, 214 pound lad from the Lone Star state.

Coach John Ward, Don basketball mentor, is planning on holding Gene O'Campo, ex-Santa Ana star who enrolled here last week over until next season to save his eligibility.

RANDFORD RAMBLES
Track stock dropped a few points with the failure of Al Randford, Scarleteer ace miler, to enroll for the spring term, but bounced right back again with the enrollment of Howard Elliot, member of the championship Saint relay quartet of a couple of years ago.

With Long Beach dropping out of the Don football schedule this fall due to a conference conflict with the Don-Viking date, Headcoach Cook is having to 'hep' to find a replacement. La Verne university looks like the best bet.

Padre Netters Vie In Tourney Soon

An addition to the schedule for Scarleteer netters was released today by Coach Merle Grisct, as he announced that the local tennis squad will accept a bid to enter the Fifth Annual Fullerton Municipal tournament to be held on the up-county courts Feb. 25 with the wind-up March 3.

Racquet wielders who will vie for positions on the Don squad Coach Grisct will send to Fullerton are Lloyd Babcock, Bill Holland, Keith Michelsen, Marvin Jacobs, Robert Helling, George Lincoln, Bob Heath, Arthur Hooker, Jim Zornes, Harrison White, Frank Swanson, Richard Hardy, Maurice Young, and Claude Bassham.

Dons Win, 52-35, To Remain In Race

Schildmeyer Tops Scoring Roster

Tallying 120 points during the 19 games played so far this season, Bob Schildmeyer, husky pivot man, today leads the Don scoring list. He compiled this lead by looping in 51 field goals and 18 free throws.

Close behind Schildmeyer is Don Borden, forward, who has a total of 114 points, and Harold Lilley, forward, with 92 markers.

The rest of the scoring is divided fairly evenly among the other regulars: Larry Monroy with 76 points, Walt Linker with 75, and Captain Russ Deardon with 72.

The remaining scorers of the squad are: Bill Reid with 39 digits, Andre Pascal with 26, Dick Ivens with 8, Art Hobson with 6, and Chuck Stafford with 2.

Dons To Be Strong In Baseball—Cook

Don diamond prospects this season are the brightest in many a moon, according to Headcoach Bill Cook today at the close of the first week of workouts. With only five men missing from last year's squad, one of the best baseball seasons in history is expected here.

Pitching and catching prospects are extremely bright according to Coach Cook. Freshman Kendall Johnson who pitched and played first base for the Laguna high school Artists brings an impressive record into the Don camp, while other strong contenders for mound duty are Max Powell and Edgar Thom, out-of-state freshman chuckers, and Bill Paschke, '29 letterman.

No less than four catchers have already reported for practice this week, with two more expected at the close of basketball season. Heading the list is student coach Duane Teel, with Bill Noble, Ben Byland, and John Balzar. "Bus" McKnight and John Osterman are expected to be the late comers. Due to the flood of candidates for the backstop position, their talents will probably be directed to other posts on the local nine.

Infield prospects are also plentiful according to enrollment this week. Included on the list are George Henry, Jack Stafford, third baseman; Bob Bushman, short stop; and Bob Blake, second sacker. Frank Lopez and Gene O'Campo are included among the infield prospects.

Tennis Games Call Co-eds to Compton

Eight members of the junior college tennis team will compete tomorrow with Fullerton, Long Beach, and Compton junior colleges at the latter college.

Representing Santa Ana in the singles matches are Delberta Morrison and Audrey Van Beek. First doubles players are Martha Farwell and Jeanette Brown; second doubles, Maxine Knight and Irene Noble; and third doubles, Sara Gano and Nancy Peters.

HIGH SCORER

BOB SCHILDMAYER, star center on jaycee's basketball team, today holds the record for baskets on the Don team. His score totals 120.

CAPTAINS DONS

RUSS DEARDON, captain of the college basketball squad who was injured in the game with the USC frosh, saw action last night when the Dons played Pomona.

STATEMENT

By MARGARET SCHMITZ
El Don Sports Editor

Powderpuffs for football players and ballerina suits for basketball stars are probably the sort of reforms I am expected to advocate as sports editor, but maybe I'll surprise skeptical males and fail to launch any such campaigns.

The goal will be an interesting, alive, readable page—readable for women as well as men. Code-like stereotyped phrases will be avoided as much as possible to make easier reading—and so I'll know what the reporters are talking about without learning a new language.

Women's sports will not crowd men's activities off the page, but will compete with other stories and appear in print if and when they merit it.

My orientation in the position of sports editor is not yet complete enough to permit me to snap out a complete working policy for the page. The haze of rule books, files of sports stories, and theories of page make-up has not quite cleared away.

Top Pomona In Scoring Duel

Flashing a brilliant scoring attack, which began midway in the first half, Santa Ana Dons last night defeated Pomona's Cossacks, 52-35, to move up into third place in the wide-open conference race.

After a slow start, in which the Cossacks once forged into a 7-6 lead, the Dons made it 10 all on two field goals by Hal Lilley, who led the scoring with 15 points. From then on, there was no stopping the continuous Don attack as Lilley and Don Borden led the parade.

At half time the score read 27-15 in favor of the Wardmen. With the start of the second half, the entire Don quintet found the range and went ahead, 30-17, and up to 37-24, about mid-way in the second part of the battle.

At this point Larry Monroy who with Bob Schildmeyer was the Don defensive standout, was removed from the game on fouls. Although he was the only player to leave the contest via the foul route, the game was spotted by infractions. Pomona cashed in on 15 out of 24 chances at the foul-line; the Dons, 10 out of 18.

Corbeil and Wright, forward and center respectively, led the visitor's attack with 8 apiece.

Women's Baseball To Begin Monday

Women's baseball practice begins Monday and will be held every Monday and Wednesday during the season at 3:30 p.m. at Lincoln grammar school.

Swimming practice is to start Tuesday and is scheduled for 2:30 on Tuesdays and Thursdays.

Following badminton games with Fullerton here on Feb. 15, tea will be served in the YWCA. Maxine Knight is planning the tea, and Louise Bennett is making arrangements for the contests.

WAA officers in charge this semester include Florence Longsdorff, president; Anita Potter, vice-president; Martha Farwell, secretary; and Jane Henderson, treasurer.

Conference Allows Eligibility Change

Only one major change was made in eligibility rules at the regular meeting of the Administrative Board of the Eastern Division conference in Santa Ana Tuesday afternoon, Calvin C. Flint, dean of men, disclosed today.

The revised rule prevents athletes transferring from one junior college to another in the same conference from participating in athletics for one year.

During the evening officials from both the Eastern and Western divisions met to discuss educational problems.

JC Club Tourney To Open Today

This afternoon the annual inter-club basketball tourney swings into action at the YMCA with the defending champion Junior Lions meeting the Bachelors in the first game at 3:30, and Los Gauchos combating the Buccaneers in the second tilt at 4:30.

The tournament will continue on Tuesday afternoon when Los Gauchos meet the Junior Lions and the Bachelors face the Buccaneers. Completing the schedule, another set of games will be played Feb. 16 with the Buccaneers clashing with the Junior Lions and Los Gauchos matched with the Bachelors. All games will be played at the YMCA at 3:30 and 4:30 p.m. respectively.

If the common consent of the clubs is obtained at the end of the tourney, the schedule may be repeated over another week and one-half period.

Power Shown As 35 Trackmen Report

Paced by 11 returning lettermen, 35 aspiring candidates for the Don track team began initial workouts this week at the Santa Ana Senior high school track. Fielding a stronger squad than the red and black cinder contingent which last year placed third in conference competition, Don chances for a conference winner are the best in recent years, Coach John Ward indicated today.

At present the squad is going through preliminary workouts working out kinks present after a long period of idleness. Coach Bill Cook plans to assume supervision of practice sessions until the close of the basketball season when Coach Ward will take over as mentor.

Seasonal competition begins Feb. 16 when the sophomores meet the freshmen in the first half of an inter-class warm up event, with a repeat performance scheduled for Feb. 20.

Conference competition starts March 9 when the Dons meet Citrus, there in a dual meet, followed by meets with Riverside, March 16, here; Fullerton, March 23, here; Chaffey, March 30, there.

Publication Abandoned by Pasadena Interests

Action Caused by Student Pleas

Student objection to campus distribution of El Sarape, Pasadena humor magazine, terminated today as Publisher Douglas McMann announced that issuance of the magazine has been abandoned. McMann cited "the best interests of all concerned" as cause for cancellation of future numbers.

In a letter this week to Phi Theta Kappa honor society, jaysee sponsors of a move to regulate the publication, McMann stated that following conferences with Director D. K. Hammond and Journalism Director John H. McCoy, he decided to discontinue El Sarape rather than publish it without student support.

Objections to the humor magazine were voiced earlier this year by parents and Associated Students following asserted "malicious and suggestive references" to students and campus activities in the publication's gossip section. Previously banned from distribution on the campus proper, El Sarape has been circulated at a service station adjacent to college property.

Honor Society representatives were Edward Budd and Victor Alleman who declared in a recent protest to McMann that "the magazine promoted an unfavorable impression of the college," and that the publication's welfare was not that of the jaysee.

Fall Term To Begin On September 16

Because of the late summer heat, the college will open on Sept. 16 next fall, Director D. K. Hammond said today. The later date also gives teachers who wish to attend summer school more time to complete the summer sessions before their classes here begin.

Cooperating in this matter, USC this week announced a new schedule for summer classes. The first division begins June 18 and ends Aug. 8; the second, July 1 to Aug. 8; and the third, Aug. 9 to Aug. 31.

Jaysee Cameraman Sells Newsphoto

For the second time this year a campus photographer is the recipient of a ten-dollar check from the Los Angeles Times for a spot news picture. Jack Sullivan, member of the college camera club, sold the metropolitan daily his photo of a fatal auto crash which occurred at Newport Beach last week-end.

Following a wild dash to the beach city over slippery roads after he had received the report over his police radio, Sullivan arrived at the scene of the wreck to find a three-car accident with six injured. One of the six died later. Sullivan rushed a print to The Times where he sold it.

Many Local Students Begin Lenten Fast This Week

By GLADYS WILCOX

Local students who observe the Lenten season were today on the third of a 40-day period of temperance and self-denial. Lent is observed annually by the Anglican, Roman Catholic and many other churches prior to Easter. The fast begins on Ash Wednesday and ends on Holy Saturday. Sundays are not days of fasting.

The English word Lenten comes from the Anglo-Saxon Leneten which means spring.

Several origins are given concerning the 40-day period. Two words derived from the Latin quadragesima, which means 40, are the Italian quaresima and the French Careme. Many believe that the term quadragesima adopted for the 40 days originally meant 40 hours. The early Christians apparently kept a rigid fast for that space of time, which was from the afternoon of Crucifixion day to the morning of the feast of the resurrection.
